Commitment / Interest Information:

(Please check any of the following ways that you / your child would be willing to participate as a Youth Ambassador)

Gala Specific -

- As a youth ambassador, I could be present on gala night to greet guests and be part of the program.
- I or my parent(s) could create a basket representing our favorite “things” valued at \$250 to be auctioned at gala.
- I am willing to be an advocate for JDRF by allowing my photo to be shared in press materials and gala program.
- I am willing to participate in pre-gala ambassador activities such as lending my “hands” to be included on artwork for gala honorees and/or auction item(s).
- I would be willing to answer questions highlighting who I am, about my family, about my diabetes and why I want a cure - which may be shared with newspapers and press outlets.
- My family is willing to volunteer the night of the gala.
- My family would prefer to be guests at the gala and would purchase a table of 10 for the gala at \$2,500 or individual tickets at rate of \$175 each.
- I am willing to be interviewed on radio or t.v. to promote diabetes awareness.
- I / My family would be interested and willing in selling tribute ads in my honor for the gala program.

Walk Specific -

- As a youth ambassador, my family would have a Walk team, raise money and be present at the Walk to Cure Diabetes to greet guests and be part of the program.
- I am willing to be interviewed on radio or t.v. to promote diabetes awareness and awareness of the Walk to Cure Diabetes.
- I am willing to be an advocate for JDRF by allowing my photo and “story” to be shared in press materials leading up to and following the Walk to Cure Diabetes.
- I have a talent that I would be interested in sharing on Walk day. If so, please elaborate:

JDRF General Youth Ambassador - Year Round

- I am willing to participate in National Diabetes Awareness month in November by attending any meeting or function I can to show support for JDRF’s mission of curing diabetes.
- I am willing to attend meetings with local representatives or congressman to advocate for JDRF and specific bills or legislature needing to be passed and at the same time, participating in photo ops.
- I / My family is willing to help schedule meetings with our local representatives as needed (usually 1 to 2 times a year) to share the latest happenings with diabetes research.
- I am willing to be interviewed by the media when stories are needed to focus on type 1 diabetes.
- I / My family is willing to be a mentor for others that are newly diagnosed.
- I have something else in mind too: _____
